Leading the Students of GCC to a Brighter Side through Innovation and SSIP

The lecture titled "Leading the Students of GCC to a Brighter Side through Innovation and SSIP," delivered by **Dr. Ijan Vaidya**, was a highly informative and inspiring event held on 5th October 2023 at Seminar Hall, Gujarat Commerce College, Ahmedabad. The presentation revolved around the pivotal role of the Student Startup and Innovation Policy (SSIP) within the College students.

The speaker provided a comprehensive understanding of SSIP, highlighting its components and objectives. They emphasized the importance of fostering innovation within educational institutions, transforming students into innovators, and nurturing their entrepreneurial spirit. Real-life success stories showcased the tangible benefits of SSIP, where students translated their innovative ideas into thriving businesses.

Challenges hindering the full realization of SSIP's potential were also addressed, along with actionable solutions. The interactive Question & Answers session allowed the audience to delve deeper into the subject, enhancing comprehension.

Overall, the lecture left attendees motivated and empowered to explore entrepreneurial opportunities and contribute significantly to the evolving innovation landscape within the GCC. The event underscored the vital role of collaboration between academia, industry, and government in creating a fertile ground for innovation and entrepreneurship. It was an enriching experience that will undoubtedly have a lasting impact on the GCC's academic and entrepreneurial communities.

Visit of Madhur Dairy, National Forensic Science University and EDII

Madhur Dairy is a dairy cooperative located in Ahmedabad, Gujarat, India. It was founded in 1969 and is now one of the largest dairy cooperatives in India. Madhur Dairy produces a variety of milk products, including milk, butter, cheese, and yogurt.

The National Forensic Science University is a public university located in Gandhinagar, Gujarat, India. It was founded in 2008 and is the only forensic science university in India. The university offers undergraduate and postgraduate programs in forensic science, cyber forensics, and digital forensics.

The Entrepreneurship Development Institute of India (EDII) is a business school located in Gandhinagar, Gujarat, India. It was founded in 1983 and is one of the leading business schools in India. EDII offers a variety of programs in entrepreneurship, management, and technology.

It is possible that the visit to these institutions was intended to help the students learn more about the different career options available to them. The visit could have also helped the students gain a better understanding of the different types of organizations that operate in India.

Students get the knowledge of how the milk is processed, and how Ghee and curd as well as butter prepared? by visiting Madhur Dairy. Students are aware of Forensic science by visiting the National Forensic Science University and are aware of how to become an entrepreneur and start their own business successfully.

CERTIFICATE

Ahmadabad District Co-operative Society conducted a one-week youth co-operative training in collaboration with the Economics Department and Entrepreneurship Development Cell of Gujarat Commerce College, Ellis Bridge, from January 16, 2024, to January 23, 2024. This one-week certificate training course improved student's knowledge of the cooperative system. It is also useful to students for their career development and to promote entrepreneurship among students. 22 students were successfully completed this training. Lectures were arranged at the Gujarat Commerce College seminar hall. Lectures are delivered by experts from District cooperative Society.

Faculties from the Economics Department (Dr. Vandana Trivedi and Dr. Avani Bhatt) and from the ED Cell (Prof. Jayesh Malhar) at Gujarat Commerce College are engaged to organize such motivational training. I am also thankful to the principal, Dr. J.I. Patel, for her unconditional support. We wish a better future for your institute and good wishes to the students.

Report
Entrepreneurship Development Cell”

Date January 10, 2024

Subject: “Implementation of Students' Entrepreneurship Policy in Gujarat state”

❖ Introduction:

Entrepreneurship Development Institute Of India (EDII) has signed an MOU with the Commissionerate of Higher Education (CHE), Government of Gujarat for the implementation of the Student Entrepreneurship Policy (SEP) in Gujarat State. The project envisions capacity-building of faculty members as Nodal Officers from various technical and higher education institutions across Gujarat. Further, the project also envisions training students from these institutions for the Entrepreneurship Development Training Programs (EDTP).

❖ About the Students' Entrepreneurship Policy

The unique of its kind, Gujarat State Students' Entrepreneurship Policy (SEP) aims to foster entrepreneurship, business acumen, creative ideas, fresh insights, aspirations, and the identification of business opportunities among students in various higher education institutions across the state.

The policy envisions creating an integrated, state-wide, university-based innovation ecosystem to support the innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuits.

The students from higher educational institutions from government and private institutions of the state will benefit by way of strengthening their capacities through entrepreneurship education, training, and financial assistance. It will further nurture, mentor, and develop the business ideas and ideas of students as well as create new legally recognized businesses in the state.

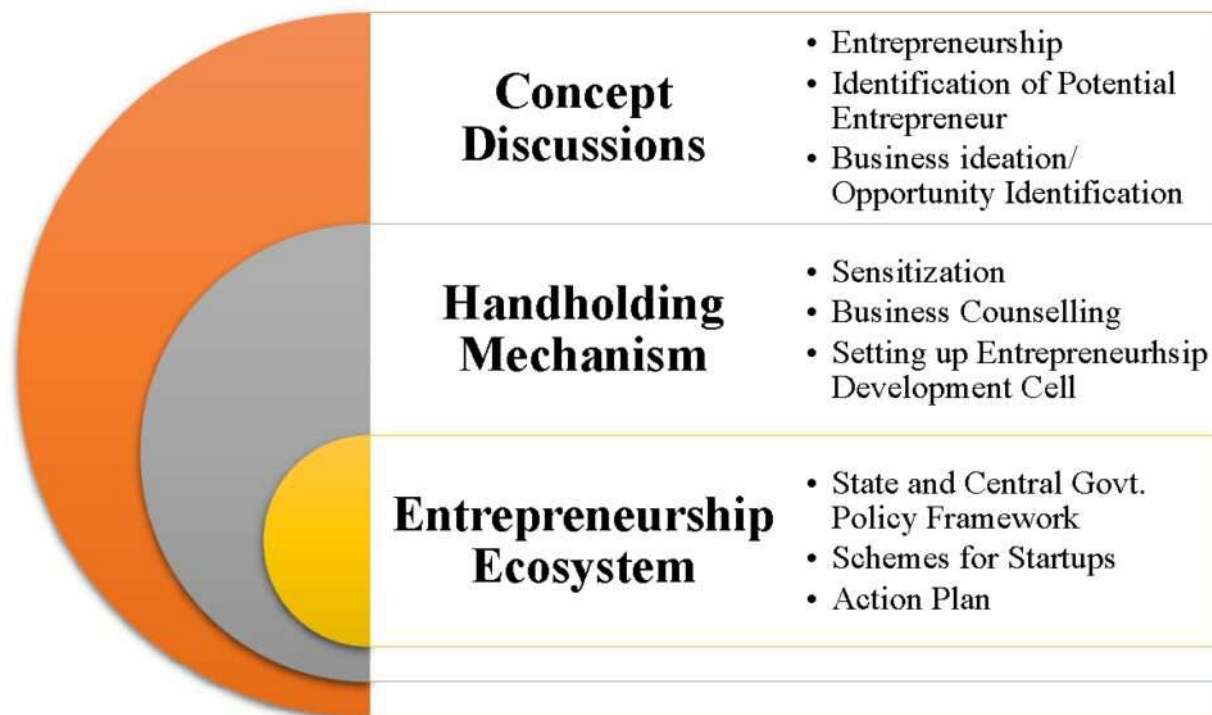

While all other state and national policies on entrepreneurship focus on developing innovative business ideas and startups or ventures, the SEP Policy augments a huge potential for developing new enterprises in traditional sectors in Gujarat state, such as manufacturing, food processing, agri-businesses, textiles, chemicals, logistics, petrochemicals, fertilizers, dairy, gems, jewellery, etc.

❖ **Two-Day Nodal Officer Training Programme**

The Nodal Officer Training Program was meticulously designed to equip faculties with the necessary skills and knowledge to catalyze the development of entrepreneurship culture within their institutions. Through a combination of pedagogical approaches and comprehensive topics, the program aimed to empower faculties to sensitize students towards entrepreneurship and facilitate their journey towards becoming successful entrepreneurs.

❖ **Seminar on “Implementation of Students’ Entrepreneurship Policy in Gujarat state” :**

A one-day Seminar was organized, wherein many students enthusiastically participated in General Enterprising Tendency test (GETT) followed by interview and five students were finally selected for final training at EDII. The workshop aimed to hone their Entrepreneurship skills and foster creativity in theatrical as well as practical expression. The participants dedicatedly worked on creative business ideas under the guidance of mentors.

Date of seminar:

This one-day Seminar was organized on December 28, 2023. Throughout seminar participants dedicated their time and effort to refine their creativity and Entrepreneurship skills, guided by the nodal officer of Entrepreneurship Development Cell of the college.

❖ Conclusion:

The Seminar conducted under Entrepreneurship Development Cell of the college exemplifies our commitment to nurturing artistic talents and promoting creativity among students. These workshops not only provided a platform for creative expression but also instilled confidence and camaraderie among participants.

Prof Jayesh Malhar nodal officer of Entrepreneurship Development Cell of the college coordinated the Seminar and through interactive ppt, quiz guided the students as well as extended his valuable suggestions and support in the activities.

We extend our gratitude to all the students, mentors, and organizers and Dr. Ravidra Mojidra and Dr.Meet shah who contributed to the success of seminar.

Date: May 24, 2024

Subject: Training and review of students under “Entrepreneurship Policy in Gujarat”.

❖ Introduction:

Entrepreneurship Development Institute Of India (EDII) has signed an MOU with the Commissionerate of Higher Education (CHE), Government of Gujarat for the implementation of the Student Entrepreneurship Policy (SEP) in Gujarat State. The project envisions capacity-building of faculty members as Nodal Officers from various technical and higher education institutions across Gujarat. Further, the project also envisions training students from these institutions for the Entrepreneurship Development Training Programs (EDTP).

❖ About the Students’ Entrepreneurship Policy:

The unique of its kind, Gujarat State Students’ Entrepreneurship Policy (SEP) aims to foster entrepreneurship, business acumen, creative ideas, fresh insights, aspirations, and the identification of business opportunities among students in various higher education institutions across the state. The policy envisions creating an integrated, state-wide, university-based innovation ecosystem to support the innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuits.

The students from higher educational institutions from government and private institutions of the state will benefit by way of strengthening their capacities through entrepreneurship education, training, and financial assistance. It will further nurture, mentor, and develop the business ideas and ideas of students as well as create new legally recognized businesses in the state.

While all other state and national policies on entrepreneurship focus on developing innovative business ideas and startups or ventures, the SEP Policy augments a huge potential for developing new enterprises in traditional sectors in Gujarat state, such as manufacturing, food processing, agri-businesses, textiles, chemicals, logistics, petrochemicals, fertilizers, dairy, gems, jewellery, etc.

❖ **Five-Day Students Training Program:**

Five students attended an entrepreneurship policy seminar organized by Entrepreneurship Development Institute Of India (EDII) and Commission of Higher Education in Gujarat. The seminar aimed to enhance students' understanding of entrepreneurship and its role in economic development. Through a combination of pedagogical approaches and comprehensive topics, the training aimed to empower students towards entrepreneurship and facilitate their journey towards becoming successful entrepreneurs. The participants dedicatedly worked on creative business ideas under the guidance of trainers.

❖ **Date of training:**

This one-day Seminar was organized on from January 16 to 20, 2024. Throughout training participants dedicated their time and effort to refine their creativity and Entrepreneurship skills, guided by the nodal officer of Entrepreneurship Development Cell of the college.

❖ **Date of reviews:**

After the training, EDDI & CHE started the process of getting business proposals of students followed by reviews of the students, the students of the Gujarat Commerce College submitted the business proposal and appeared three students in review online out of five, the remaining two could not join due to technical barrier.

❖ **Conclusion:**

The training and reviews conducted by, EDDI & CHE with communicated to Entrepreneurship Development Cell of the college exemplifies our commitment to nurturing artistic talents and promoting creativity among students. This process not only provided a platform for creative expression but also instilled confidence and camaraderie among participants. Students also received trophies and certificate from the College on annual day function of the college.

Prof Jayesh Malhar nodal officer of Entrepreneurship Development Cell of the college coordinated and guided the students as well as extended his valuable suggestions and support in the activities. We extend our gratitude to all the students, mentors, and organizers and Dr. Ravidra Mojidra and Dr. Meet Shah who contributed to the success of seminar.

A seminar on Youth At Globe

Date: 25/01/2023

India has the best hiring outlook globally, second only to Brazil, with 54 per cent of companies surveyed planning to hire in the December quarter as against 51 per cent in the September quarter, according to a report by global staffing firm ManpowerGroup.

The technology industry is filled with largely experience-based jobs. Many of these jobs require minimal formal education, such as an associate degree or a certificate program. If students can demonstrate your ability to carry out the duties, they can qualify for a tech job that pays well. The job opportunities available for freshers were Computer Technician, Web editor, Multimedia Artist, Digital Marketing, Content Marketing, Graphic Designer, Data Analyst, Ux Designer, VFX Designer etc. It was really an amazing experience for the students to be part of the enlightening seminar.

Clay Modelling Workshop and Competition

Co – ordinator: Prof. Vidhi Ravrani

Dates of Workshop : 29th August 2022, 30th August 2022

Date of Competition: 1st September 2022

Duration (days) : 3 Days

Expert invited : Devang Vyas

Number of Students (Participants) : 21

Clay modelling is a technique in which the clay can be shaped in many different ways.

Objectives :

- I. The aim of this workshop is to help students understand the three dimensional aspect of this world.
- II. To develop fine motor skills but also help them to understand the concept of 3D shapes
- III. To apply the principles to a specific aesthetic intent. This includes functional knowledge of the traditions, conceptual modes, and evolutions of the discipline.

Outcomes:

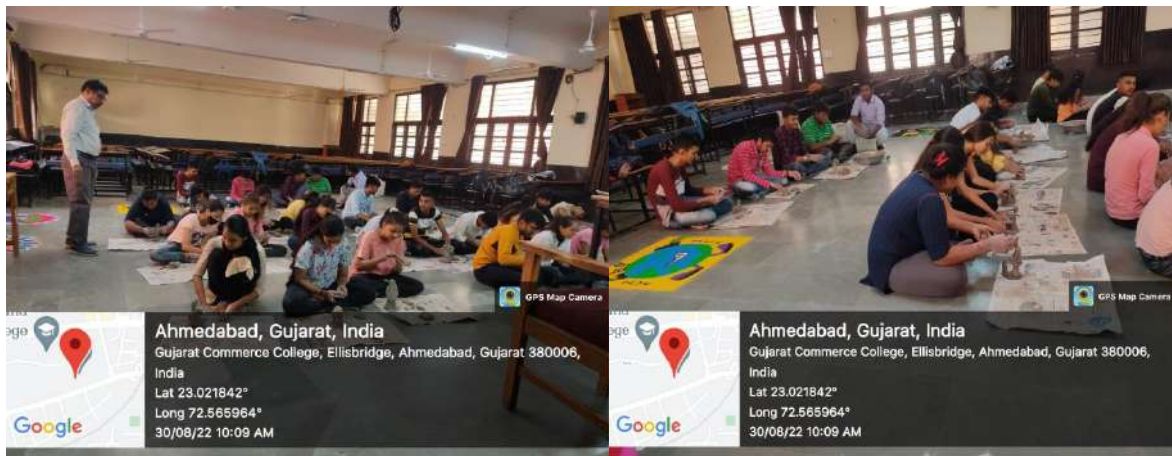

- I. The students get to learn about the different process of clay modeling.
- II. They got the knowledge & exposure about how that sculpture can be an integrated part of the architecture.
- III. They also get to know how to use this methodology for generating different effects on the sculptures and models.
