Subject: Acknowledgment of Solid Waste Management practices in Gujarat college campus
Ref: G.R.No. SBM/132018/2844/Th-1 Date: 31/7/2018 and Solid waste management rule, 2016

This is in reference to your letter dated 14/6/2018 requesting for a certificate on the practice of "Solid Waste Management" in Gujarat college campus.

We hereby confirm that, Gujarat Commerce College is a Waste Generating unit by Ahmedabad Municipal Corporation (AMC) under SWM Rules 2016. In compliance to SWM Rules 201, Gujarat Commerce College has been practicing the onsite processing of the waste by establishing the following plants in their campus from the year 2016 :

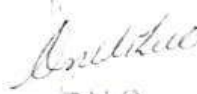

1. Vermicomposting plant processing of organic waste
2. Segregate and store the waste generated by them in three separate streams namely bio-degradable, non-bio- degradable and domestic hazardous wastes including E-waste in suitable bins and handover segregated wastes to authorized rag-pickers or waste collectors

We also confirm that AMC has been providing solid waste collection services to Gujarat Commerce College campus on daily basis.

We look forward for your continuous support in conserving the environment through better waste management practices and also convey our best wishes to your organisation.

3. Tree plantation program

A "tree plantation program" was organized by the NSS unit. Planting a tree is a lifetime investment. This depends on the type of investment how well it grows. Care given during planting and post-planting care helps the new tree to grow healthy and fully mature.

The program was launched after the members of the University of India scoured the entire campus for the best locations to plant trees, ensuring that there is water availability, soil fertility and adequate sunlight.

Moreover, in the tree plantation program, the principal of the college, Dr. Jyotsnaben Patel and respected professors of the college joined the volunteers and enthusiastically supported them in planting trees.

Global warming cannot be solved easily if people do not practice well in reducing carbon

dioxide gas, solutions to this problem will be more effective when individuals change their lifestyles. Individuals can contribute to mitigating changes in global climate through their changes.

Under "Tree Plantation Program" Gujarat Commerce College N.S.S. was done under the guidance of Program Officer Shri RK Chowtia Sir and Principal Dr. All the volunteers were encouraged by Jyotsnaben Patel.

In the presence of Guests like, Hon'ble Minister (Climate Change) Jagdishbhai Vishwakarma Panchal Sir, Shri S.J. Haider Sir (IAS), Shri Jai Vasavada Sir, RJ Devki Madam, Our NSS students participated wholeheartedly in this program.

The importance of this program was explained by the Chief Guests. The main purpose of this program is that we should respect food. Why should we respect food? In a country where 200 million people go to bed on empty stomachs, we should all respect that food. When one person prevents food wastage, food can reach people in the country who are going to bed hungry.
